May 18, 2010

I wish to invite your company to attend our 50th Annual Meeting of the Atlantic Society of Obstetricians & Gynecologists, to be held in Saint John, New Brunswick September 23rd to 25th 2010. We will again have a stellar Scientific Program developed over the next few months by Dr. Martha Mills. Our President this year is Dr. Ed Reardon. Our incoming Secretary-Treasurer in September will be Steve Owen.

Our Preliminary Program is on our web-site in now. This invitation will allow you to set the date aside. We will be staying at the Hilton on the waterfront. The Hotel Registration information is also on the web-site and in the mail-out package will go out in May.

I look forward to seeing all of you again in September 2010.

Best regards,

Angus Gardner, MD, FRCSC
