## Invitation to Speakers at the Annual Meeting of the ASOG

The Scientific Program Committee met recently to put together the agenda for this year's meeting. You have been invited to speak at the Annual Meeting in Saint John, NB. Kindly let me know if you can make the commitment to accept this invitation.

The meeting is at the Westin Hotel in Saint John on September 24 & 25, 2010. As a member of the ASOG you will be expected to pay your own meeting expenses, but as a speaker, you will receive a \$500 honorarium.

Your topic for the presentation will be \_\_\_\_\_.  
The time allotted is 40 minutes, the last ten of which should be devoted to answering questions from the members. We will provide the laptop, pointer, microphone and projector. Let me know if you have any special needs over and above these items.

If you agree to participate we expect your presentation to be submitted in a PowerPoint format by the end of August so it can be included in the syllabus. Feel free to make last minute changes up to meeting time. We also ask your permission to post a PDF version of your presentation on the ASOG web-site, for those members who could not attend the meeting.

I look forward to hearing from you soon. Please sign below indicating your acceptance, then fax or mail this letter of acceptance to me. Thanks for your involvement in the ASOG Annual Meeting.
